PRECONTRACT APPROVAL RECORD
(PART TWO)

The services and equipment being procured by this Contract No. _____ are in furtherance of the _____ Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

1. Task Order No. 1, Contract No. BB 425 required investigation of the feasibility of frequency attenuating filters, application to image enhancement and possibility of incorporation in the Image Enhancement Viewer. Work started in January 1961 and was physically completed July 1961.

2. The final cost and property audits of the task order have been completed and a report thereof has been attached. The Auditor has recommended for acceptance total costs in the amount of [REDACTED]. This cost together with the approved fixed fee [REDACTED] results in a final approved contract price of \$29,918.98.

3. In connection with this settlement of Task Order No. 1 there are attached the following documents:

- a. Audit Reports OSA-23-12-65, #1571
- b. Final cost summary certificate
- c. Assignment of refunds, rebates and credits
- d. Release
- e. Negative Patent

4. All residual and the GFP Viewer are to be transferred to Task Order No. 4 under this contract. Warehouse and Auditor are aware of transfer.

5. BFB/OSA concurs with a decrease in the amount of \$3,694.02. OSA-4246-65.
